CHAIR: For the record, the time is 11:10 and this meeting is being recorded.

MEMBER: Understood.

CHAIR: Can you confirm you received the draft retention policy in advance?

MEMBER: I did, on Tuesday. I've, eh, marked up a few sections.

CHAIR: Grand. Which sections are you most concerned about?

MEMBER: Section four, mainly. Seven years feels short for the board papers.

CHAIR: Short compared to what?

MEMBER: Compared to what we actually get asked for. Requests come in for papers that are ten, twelve years old.

CHAIR: So you'd propose twelve?

MEMBER: Twelve, with a review at ten. I'd want that minuted.
